Hindustan Group of Institutions

At Hindustan International School, Padappai, we believe that education is a journey of empowering young minds to discover their talents, embrace challenges, lead with confidence, and grow into responsible citizens. Every experience within our school is thoughtfully designed to nurture creativity, resilience, teamwork, discipline, cultural appreciation, and a deep sense of responsibility towards the world around us.

This month, our students embraced a vibrant range of experiences that celebrated talent, achievement, sportsmanship, environmental responsibility, cultural heritage, and experiential learning. From showcasing their diverse talents at Hindustan Got Talent and earning recognition at Esperanza 2026 to demonstrating discipline, teamwork, and sporting spirit at the First Annual Sports Meet, our young Pioneers continued to grow with confidence and determination. The E-Waste Pollution Awareness Session sensitised students towards responsible disposal, recycling, and sustainable practices, while the Onam celebration brought the school community together in a joyful celebration of Kerala's rich cultural heritage. The educational field trip to Arignar Anna Zoological Park, Vandalur, further enriched their learning through first-hand exploration of biodiversity, wildlife, conservation, and the interdependence of living beings. As a learning community, we remain committed to providing meaningful experiences that help every child discover their strengths, celebrate diversity, develop responsibility, and learn beyond the classroom. With the continued support of our educators and parents, we nurture confident, compassionate, and responsible learners who are ready to lead with knowledge, values, and purpose and make a positive difference in the world.

HINDUSTAN GOT TALENT

The Hindustan Got Talent 2026, provided students with a platform to showcase their creativity and diverse talents. The event featured an impressive range of performances, including singing, devotional songs, dance, hula-hooping, yoga, keyboard, guitar, drawing, pencil carving and mandala art. Students received passports in which teachers and students appreciated their performances, allowing them to proudly share their achievements with their parents. The event celebrated individuality, creativity and confidence, encouraging students to discover and showcase their unique talents.

FIRST ANNUAL SPORTS MEET

The First Annual Sports Meet of Hindustan International School, Padappai, was a momentous occasion, held as part of the celebrations marking the 80th Independence Day of India. It brought together the young Pioneers of Hindustan to celebrate athletic excellence, discipline, teamwork and an enduring spirit of sportsmanship. The event was graced by Mr. Michael Baskar, Retired IFS Officer and the Chief Guest, along with Mr. Yohan Verghese, Business Executive Director, HIS Padappai, and our beloved Principal, Mrs. Jemima Hobday. The welcome address was delivered by Mr. Yohan Verghese, Business Executive Director, HIS Padappai. The majestic March Past by the four houses—Abraham Lincoln, Margaret Thatcher, Mahatma Gandhi and Nelson Mandela was a sight to watch. The Olympic Torch and Sports Oath set the tone for a day dedicated to honour, perseverance and fair play. Battle Track, a new initiative, provided every student in the class an opportunity to participate and showcase their sporting spirit and teamwork. The Parents' Events, featuring Shot Put for fathers and Ball Back Throw for mothers, added a delightful dimension to the day. The Prize Distribution honoured the remarkable achievements of the participants, followed by the Vote of Thanks by the principal. Margaret Thatcher House emerged as the Overall Champion, marking a proud milestone in the history of HIS Padappai and celebrating the young pioneers' sporting spirit and excellence. The March Past Shield was awarded to Mahatma Gandhi House for their impressive discipline and presentation.

E-WASTE AWARENESS PROGRAMME

An engaging E-Waste Pollution Awareness Session was conducted for students from Grades 1 to 7, introducing them to the growing problem of electronic waste and its impact on the environment. Through an informative video and a story-based presentation, students learnt what e-waste is, how improper disposal of electronic devices can pollute the soil, water and air, and why responsible disposal is essential.

The interactive session encouraged students to understand the importance of reducing, reusing and responsibly recycling electronic waste. It served as a meaningful step towards nurturing environmentally conscious young citizens and inspiring them to make responsible choices for a cleaner and greener future.

ONAM

The school community came together to celebrate Onam with a vibrant showcase of Kerala's rich cultural heritage. Students arrived in elegant traditional attire, while a colourful Pookalam, created collectively by the students, added festive charm to the occasion. The programme commenced with a welcome address by Shekinah of Grade 7, followed by the melodious Onanapattu and a graceful Thiruvathira Kali presented by the teachers. A spirited Boat Race Song by Histar teachers and students further enlivened the celebration. The festivities continued with traditional Onam games, a lively ramp walk and an energetic Tug of War, fostering camaraderie and collective spirit.

EDUCATIONAL FIELD TRIP

As part of an enriching educational field trip, the students of HIS Padappai visited Arignar Anna Zoological Park, Vandalur. The visit provided them with an opportunity to explore the fascinating world of biodiversity and wildlife while gaining a deeper understanding of the importance of protecting our natural environment. The students learned about various plants and their botanical names, along with valuable insights into wildlife, habitats, and the need for animal conservation and wildlife protection. The experience also helped them understand the deep connection between humans, animals, plants, and the ecosystem, highlighting how every living organism plays an important role in maintaining the balance of nature. The visit sensitised the students to the importance of biodiversity preservation, environmental conservation, and sustainable living. It inspired them to develop greater compassion towards
