At Hindustan International School, Padappai, we believe that education is a journey of inspiring young minds to learn with purpose, lead with integrity, and serve with compassion. Every experience within our school is thoughtfully designed to nurture intellectual curiosity, creativity, resilience, and a strong sense of social responsibility.

This month, our students actively participated in a wide range of enriching experiences that fostered gratitude, empathy, teamwork, leadership, artistic expression, environmental awareness, and healthy competition. Through engaging classroom activities, collaborative projects, creative performances, scientific exploration, technology-integrated learning, and experiential programmes, they developed confidence, critical thinking, communication skills, and a lifelong passion for learning. As a learning community, we remain committed to providing opportunities that encourage every child to discover their strengths, celebrate diversity, embrace innovation, and contribute meaningfully to society. Together with our dedicated educators and supportive parents, we continue to create an inclusive environment where every learner is empowered to grow into a compassionate, responsible, and globally minded individual. At Hindustan International School, Padappai, every milestone is a step towards shaping future leaders who are equipped with knowledge, values, and the confidence to make a positive difference in the world.

NATIONAL DOCTOR'S DAY

To honour the dedication and selfless service of doctors, Hindustan International School, Padappai celebrated National Doctors' Day . The celebration was organised to create awareness among students about the invaluable contribution of doctors in safeguarding the health and well-being of the society. The schedule included a special prayer for doctors, expressing gratitude for their unwavering commitment and tireless efforts in protecting and saving lives. The Principal addressed the gathering, explaining the significance of National Doctors' Day and highlighting the vital role doctors play in society. The inspiring speech encouraged students to appreciate the compassion, dedication, and sacrifices made by healthcare professionals.

As part of the celebration, the HISTAR students dressed up as doctors and confidently role-played as medical professionals. The students were able to learn about the responsibilities of doctors and the importance of serving others with care, kindness, and commitment.

The celebration was both meaningful and educational, helping students develop respect and gratitude for the medical profession. It also inspired them to value the selfless service of doctors and understand their significant role in building a healthy and caring society.

INAUGURATION CEREMONY

Hindustan International School, Padappai, marked a significant milestone with its Inauguration Ceremony held on 20 July 2026, celebrating the establishment of a new centre of learning under the Hindustan Group of Institutions. The occasion reflected the institution's vision of nurturing future-ready learners through academic excellence, innovation, and value-based education. The ceremony was presided over by Dr. Anand Jacob Verghese, Chairman, Hindustan Group of Institutions, and graced by the Chief Guest, His Grace The Most Rev. Dr. Theodosius Mar Thoma Metropolitan, along with distinguished Guests of Honour and eminent dignitaries. The programme commenced with the traditional lighting of the Kuthu Vilakku, followed by the unveiling of the Founder Chairman's bust, and the symbolic pigeon and balloon release, signifying peace, hope, and new beginnings. The event featured soulful choir presentations, prayers and various cultural programmes. Inspiring addresses by the Chairman and the Chief Guest underscored the importance of value-based education, leadership, creativity, and character development. The ceremony also witnessed the release of "Journey of Parables" and the HIS Karapakkam Coffee Table Book, adding significance to the occasion. A tree plantation drive, along with the inauguration of the Composite Laboratory and the HISTAR Wing, further marked the occasion, symbolising the beginning of a promising journey dedicated to excellence, innovation, and holistic development.
